

**Muscatine  
Power and Water**

## **ENERGIZE MUSCATINE**

### **MEMORANDUM OF AGREEMENT**

Date: \_\_\_\_\_

Energize Muscatine is a program jointly sponsored by the United States Department of Energy, Iowa Department of Natural Resources, Muscatine Power and Water  
We, \_\_\_\_\_

Agree to support and participate in Energize Muscatine Energy Efficiency Initiative. It is our intent to implement cost effective energy efficiency measures and to help improve our own facilities as well as stimulate the economy in Muscatine Iowa.

Our participation will consist of:

1. Making our facility(s) available for the purposes of conducting an energy audit.
2. Implementing cost effective energy efficiency measures identified in the energy audit where appropriate.
3. Use local suppliers, dealers, contractors, and financial institutions to assist in the implementations of improvements.

Or

4. Report energy efficiency improvements already implemented.
