FOR IMMEDIATE RELEASE

### **MPW Digital TV to Launch Smithsonian Channel on Wednesday**

MPW Digital TV will be launching the Smithsonian Channel (channel 884) on its HD Plus tier of channels on Wednesday, May 26, 2010.

Smithsonian Channel celebrates the American experience with award-winning programming drawn largely from the world's largest museum and research complex, the Smithsonian Institution. Smithsonian Channel's original content is presented in stunning High Definition and Dolby Digital 5.1, and available at [smithsonianchannel.com](http://smithsonianchannel.com).

More information about MPW Digital TV can be found on [www.mpw.org](http://www.mpw.org) and on MPW Digital TV's Page on Facebook.
