

When the Temperature Drops, *Share the Warmth!*

Please help those less fortunate pay their utility bills this winter

Project Share (PS) is a voluntary energy assistance program that helps people in Muscatine pay their winter utility bills.

Muscatine Power and Water customer/owners donated \$2,752.98 between July 2008 and June 2009 to help area families pay their utility bills with an average assistance of \$255.

You can help by adding a regular PS contribution to your monthly utility payment or by making a donation directly to Project Share. A social service agency will then distribute funds to qualified families.

So please, add a PS donation to your utility payment each month. It's a simple way to share some warmth with those who need it!

For more information, call Muscatine Power and Water at (563) 263-2631.

PS

Yes, I'd like to help a neighbor in need with a tax-deductible contribution to **Project Share!**

Name _____ Address _____

City _____ State _____ Zip _____ Phone _____
