# Terms and Conditions • Residential Rebate Form

## Appliance Rebate - Applicant's Check List INCOMPLETE FORMS WILL BE RETURNED

- I am a Muscatine Power and Water (MP&W) residential electric customer and the account holder listed on this form.
- I have attached my original sales receipt(s) or a copy of my sales receipt(s) to this form. All receipts are for items purchased in my name.
- I have attached my energy guide(s) for the following appliances: dishwashers, clothes washers, room air conditioners, refrigerators, freezers, and central air conditioners.

**NOTE: Energy guides for those listed above MUST be included to receive rebate!**

- I have completed all necessary information on the reverse side of this form. I have attached all required materials to this rebate form. (Energy guides, receipts, etc.)
- I have read the terms and conditions below, and have signed the customer certification on the reverse side.

**Deadlines:** Items must be purchased between January 1, 2012, and December 31, 2012. Applications must be filed by March 31, 2013. MP&W reserves the right to change any portion of this program or to end this program at any time without notice.

**Rebate Amounts and Payments:** Rebates will not exceed purchase price. Rebate applications will be processed as they are received. Please allow 2 to 4 weeks for payment.

**Disposal Requirements:** If you take your refrigerator, freezer, or window air conditioner (*two of each appliance per year per household allowed*) to the Muscatine Transfer Station, remember to stop at the service desk and pay a \$10 disposal fee per appliance. Please provide MP&W with a receipt for this payment in order to receive your recycling rebate. You may also call the City of Muscatine at 263-9689 to request curb-side pick up of your appliance for recycling. Pre-payment options for curb-side pick up are available at the Muscatine Transfer Station, Muscatine Public Works Department, and the Finance Department at Muscatine City Hall.

**Qualifying Purchases/Eligibility:** New electric refrigerators, freezers, dishwashers, clothes washers, dryers, ranges, room air and central air conditioners, ground-source heat pumps, and water heaters are eligible for this program. The new appliances must meet all specified energy efficiency requirements. Compact fluorescent bulbs eligible for this program include both integral ballast (one-piece unit) and adaptor ballast (two-piece unit) models. MP&W does not endorse any particular manufacturer of appliances. Only MP&W residential electric customers are eligible for these rebates.

**Verification: Original or copied sales receipt(s) indicating purchase date, purchase location, quantity, and price must accompany rebate application. Energy guides for those items listed above (in the checklist section) MUST be included to receive rebate! Incomplete applications will be returned.**

**Disclaimer:** MP&W does not guarantee that implementation of energy efficiency measures or use of the equipment purchased and/or installed under this program will result in reduced energy usage or cost savings. MP&W makes no warranties, express or implied, with respect to any equipment purchased and/or installed including, but not limited to, any warranty of merchantability or fitness for purpose. In no event shall MP&W be liable for any incidental or consequential damages.

**Additional Information:** Call 262-3423 for more information on MP&W's energy efficiency program.
