Brief Description of Organization: _____

Contact Name(s): _____

Contact Phone Number: _____ Contact Email: _____

Reason for show (What are you promoting):

Colors Requested (*note, black is not an option*):

How will your organization promote the light show?

Light show requests are accepted January 2 - November 30. To accommodate multiple requests, the duration of a bridge light show is limited to one (1) night only. MPW will make every effort to honor color requests, however, not all colors can be replicated. A minimum of two weeks' notice for light shows is required.

In determining whether Bridge Show requests will be granted, MPW Management has sole judgment and may give preference to the following categories of requests:

- *Connection to Muscatine*
- *Support of local civic or municipal organizations*
- *Promotion of a charitable activity that benefits the Muscatine community*

Additionally, MPW management also has sole judgment to deny certain categories of requests, including but not limited to following categories of ineligible requests:

- *Promotion of political action, political advocacy, lobbying, or other such activity;*
- *Issues or causes that are contrary to the interests of the Utility or the City of Muscatine; or*
- *Causes or promotions that may be controversial, indecent, or offensive to sensibilities of the Muscatine community.*

MPW is under no obligation to perform any Bridge Show and there may be circumstances that interfere with a Show. MPW is under no obligation to reschedule a requested Show or provide a make-up date. MPW reserves the right to modify this policy at any time.
