When you see this screen re-enter your name and email to confirm your information.

This will establish your personal profile.

You can also add other users to your account.

Each Profile can create lists of programs they want to watch

and also save downloads to watch off line.

You will also receive and Email from HBO MAX asking you to verify your Email address.

Success. Start Streaming.

Use the Search Bar or Scroll through menus

to find movies and series you want to watch.

Use the MENU (upper left) to view category lists.

Scroll through categories and click to see what's available now.

Scroll to the bottom to view the HBO MAX "Hubs" featuring extra content like the DC Universe, Sesame Street, Turner Classic movies and more!
