COMBINED LEGACY | FIBER Channel Lineup

Letter in the right-hand columns indicates on which service tier channel is available: B = Basic, S = Select, P = Preferred, U = Ultimate. An \* indicates that the channel is available on that tier for an additional cost. Column 1 (L) number indicates channel position on Legacy system, Column 2 (F) number indicates Fiber system channel position. Channels/Networks on the Fiber system delivered in HD unless provided in SD by the programmer. Legacy HD channels as indicated.

Updated 10/25/18 Channels subject to change. Visit mpw.org for updates.
