Digital Video Recording (DVR)
Pause live television. Rewind and replay programs. Record your favorites all season long. With DVR, you’re in control from the comfort of your own home. And with dual tuner DVR, you can watch one program while recording another.

Control Live TV
Any time you tune to a channel, the DVR starts a temporary recording. So you can PAUSE if the phone rings, REWIND the scene you missed, and FAST-FORWARD to skip what you don’t want to watch.

DVR Puts You in Control
Build Your Own Personal Video Library
It’s easy to record with i-Guide. Press REC on your remote anytime while watching TV for easy one-touch recording. Press INFO from the Program Info screen to set a one time or series recording, or even set up an auto-recording from any Search results screen.

Your Recordings Your Way
i-Guide helps you easily manage your recordings. Access the DVR Menu from the Quick Menu or Main Menu. From here select My Recordings to view your list.

Series recordings are automatically grouped into Folders so you can quickly scroll through your list. Use the ▼ or ▲ arrows to select a series and press OK/Select. Scroll through the list to find the episode you want to see.

DVR Cleanup lets you delete multiple shows at once, and DVR History keeps track of shows that were deleted. i-Guide makes it simple to organize your shows so you can enjoy watching on your schedule.

On Demand Brings the Video Store to You
With On Demand® you can rent movies or programs from the On Demand library and watch shows at your convenience, as many times as you want within the rental period. You can even pause, fast-forward and rewind. Enjoy shows, movies, music videos and more on your schedule.

Access hundreds of shows and movies — anytime. You can reach On Demand® from the Quick Menu or Main Menu, or from the Flip Bar, if available.

1 Menu selections vary depending on the services your cable provider offers.
2 PPV, On Demand and DVR not available in all areas. On Demand programs may not be recorded with DVR.
