IF YOU ARE A COMMUNICATIONS CUSTOMER

Contractors will hang or bury fiber from our pole or pedestal to the MPW box. If you would like a consult on drop route, please call **563-260-6538**.

IF YOU ARE NOT A COMMUNICATIONS CUSTOMER

Contractors may need to cross property lines in utility right-of-way or lay fiber across your lot temporarily to complete their work.

Only MPW Communications customers will get fiber. To order call 563-263-2631.
